## Outdoor Education Flexible Pricing

At Camp Roger, we are committed to making experiences in God's creation accessible and affordable to as many schools and students as possible. Our guide for flexible pricing is based on the number of students eligible for free/reduced lunch at your school. If that rate will still not allow your school to participate in an outdoor education program, please notify us. We are happy to work together on a solution.

The chart below will help determine your school's range per individual students. Once you complete the form, scan and submit it along with your agreement forms to Deb Medendorp at [office@camproger.org](mailto:office@camproger.org).
