

Camp Roger Camp Scottie

June 4, 2020

With sad hearts, Camp Roger has made the extremely difficult decision to cancel all remaining 4-Day and 8-Day Overnight Camp sessions and Wilderness Trips for 2020.

With the wise counsel from many and the recommendations from the CDC and our local and state governments, we concluded that it would be best to replace overnight camp with a newly designed program called GO Camps. GO stands for Get Outside and that is exactly what we are going to do! We are also developing some program options for older campers to replace our wilderness trips. We are excited to share more information, as well as updated safety guidelines, with you over the next couple of weeks.

In the meantime, if you are already registered for summer camp, we need to cancel the registered session on your account. To do this, **we must hear from each family on how you would like to proceed with the financial portion of your camper's registration.** Please review the options below and [CLICK HERE to record your preference.](#)

1. **DONATE** – Our ministry is dependent on summer income. If you are willing to donate any portion of the camp fee that you have already paid, we are grateful. Thank you for helping us weather this incredible storm.
2. **SAVE FOR THE FUTURE** – We encourage you to consider keeping your payment in your account to apply to a future session: either a GO Camp option in 2020 or a summer camp option for 2021.
3. **REFUND** – We are happy to refund the amount you have paid with no penalty. If your original payment was made with a credit card, the refund will be credited back to that card. Cash or check payments will require 10-14 business days to process.

Within a few weeks you will receive a follow-up email confirming your response has been processed. We appreciate your patience while we carefully work through each cancellation. We have also attached a copy of your household account statement for your convenience. To ask specific cancellation questions, please email krista@camproger.org.

This will be hard news to process for many campers, families, and camp friends. We have also listed some resources for communicating hard news to your child [on our website](#). And we have put together a special video for you to watch together with your child [here](#).

Thank you for your support. We will be praying for you and hope to see your camper on the shores of Little Bostwick or Lake Gordon this summer. Registration for GO CAMPS opens on June 12!

Trusting Him,

Doug Vanderwell
