#### **Registration is open until September 3**

Guides students through a series of fun, hands-on challenges where qualities of teamwork, good communication skills, creativity, and ingenuity are fostered to develop effective solutions to various challenges.

"Are you able to drop an egg 40 feet without breaking it?"

"Using only gravity and things you find in the woods, can you get a tennis ball to end up in a bucket that is 100 feet away?"

"Can you put together a jigsaw puzzle that's the size of your bedroom?"

Whether we succeed at all these challenges or not, we hope to learn life-long skills of being resolute and joyful as we go about seeking creative solutions to life's various problems.

#### **2. September 29, 2020 – Survival Skills**

**Time frame:** 8:30 am - 2:30 pm

**Location:** Camp Roger, 8356 Belding Road, Rockford

**Ages:** 6 – 14

**Price:** \$40

#### **Registration is open until September 22**

What if you found yourself in a similar position as Sam Gribley from *My Side of the Mountain* or Brian Robeson from *Hatchet*? How would you do?

Guides students through a series of fun, hands-on activities as we learn what it takes to survive in the wilderness and develop necessary skills to do so. Activities like archery, fire building, shelter building, orienteering, and many more will all be part of this exciting day of Survival Skills.
